**I am making a commitment to support Native Offerings Farm for the 2017-2018 season extension and/or winter season. I understand:**

- There is no guarantee on the exact amount or types of produce or fruit that I will receive for my share. Weather, insects and animals, etc. may affect the availability and quantities of produce. I will share both the rewards and the risks of the growing season with the grower and the other shareholders.
- It is my responsibility to pick up my share within the scheduled time and place. If my share isn't picked up and I haven't made other arrangements ahead of time, my share will be considered forfeited and non-refundable, and will be donated.
- I understand that my share contains unwashed produce and that I should clean it before eating.
- I have made a copy of this form for my records, and am sending the signed original plus a payment check to Native Offerings Farm.
