I am making a commitment to support Native Offerings Farm for the 2018-2019 season. I understand:

There is no guarantee on the exact amount or types of produce or fruit that I will receive for my share. Weather, insects and animals, etc. may affect the availability and quantities of produce. I will share both the rewards and the risks of the growing season with the grower and the other shareholders.

It is my responsibility to pick up my share within the scheduled time and place. If my share isn't picked up and I haven't made other arrangements ahead of time, my share will be considered forfeited and non-refundable, and will be donated.

I understand that my share contains unwashed produce and that I should clean it before eating.

I have made a copy of this form for my records, and am sending the signed original plus a payment check to NOF.
